

## 3M™ True Definition Restorative Material Selection Cheat Sheet

Ragle Product	3M™ True Definition Restorative Material
Cera-Leux™ HSZ	All Ceramic **
Cera-Leux™ HSZ PLUS	All Ceramic **
Cera-Leux™ HTZ	All Ceramic **
Cera-Leux™ HTZ PLUS	All Ceramic **
Cera-Leux™ e.max®	All Ceramic **
Cera-Leux™ e.max® PLUS	All Ceramic **
Milled Full Gold High Noble (yellow)	Metal **
Milled Full Gold Noble (yellow)	Metal **

**Step 1:** Select your 3M™ True Definition Material based on the above chart.

**\*\* Step 2:** Verify the specific Ragle Product Brand and/or alloy you are requesting by typing in the Notes section your product/alloy (i.e. “HSZ PLUS”, “FGC Noble”, etc.).

**Step 3:** If you would like the product’s “PLUS” option, please write this in the Notes. The PLUS options are esthetically enhanced with micro hand-layering, great for the anterior section of the mouth. *If not specified in the Notes, the PLUS option is the lab default for anterior teeth.*
